Frame Running Coaching Course 2025

Frame Running Denmark is facilitating a course for new Frame Running coaches during the 28th Frame Running Development Camp & World Abilitysport International Cup 2025.

This year, we are offering a coaching course focused on children and youth athletes, as well as appropriate age training, for new Frame Running coaches.

The instructors of the course are the experienced coaches from the Danish Frame Running Clubs. They will be sharing their training methods and guiding the participants through theoretical and practical exercises. The coaching course is taught entirely in English. Please note that athletes and national team staff members participating in the event will not have the opportunity of participating in the course. The course will take place at Frederiksberg Stadium: Sønderjyllands Allé 6, 2000 Frederiksberg Denmark.

Course curriculum

The Frame Running Coaches' manual will be the theoretical work of reference during the entire coaching course. The manual can be downloaded at: [Rules and manuals-racerunning.org](https://rulesandmanuals-racerunning.org) (framerunning.org)
